TO THE MEDICAL PROFESSION.

DISPENSING OF MEDICINE.

GEORGE OLDHAM AND CO.,

APOTHECARIES AND CHEMISTS,

BEG to return their grateful acknowledgments to the Medical Profession for the support they have hitherto received, and which they will regard as a fresh motive for exertion. Abstaining altogether from visiting as Apothecaries, except for the application of Leeches, Cupping, and such Operations as are performed under Medical Advice, they will continue to devote themselves exclusively to the duties devolving on the pure Pharmacien.

Having had much experience in Practical Pharmacy, and being resolved to spare neither trouble nor expense in order to have every article of superior quality, they hope, by attention, "carefulness," punctuality, and moderation of charges, to commend themselves to the approbation of those who may intrust them with their commands.

GEORGE OLDHAM & CO.

Invite the attention of the Profession to their present Stock of Surgical Appliances French and English, comprising:—

Elastic Stockings, Socks, Knee-Caps, and Thigh-pieces; Water and Air-Cushions; Elastic Abdominal Belts for Ladies; Gentlemen's Belts; India Rubber Bags, with Male and Female Pipes; Trusses of the most approved kind; Suspensory and other Bandages; Issue Peas, Bands and Pads; Acoustic Instruments; Chest Expanders; Glass and Elastic Urinals; Boxwood and Elastic Pessaries; Dr. Kennedy's and Higginson's Syphons; Markwick's Piline and Spongio-Piline; Hot Water, Chloroform, and Iodine Inhalers; Syringes of every description; Catheters, Bougies, &c.; Pocket Medicine Cases; Eagland's Improved Bandages for Ruptures, Prolapses, &c.

SURGICAL INSTRUMENTS.

G. O. & CO. continue to be supplied by the Houses of Charriere & Luer of Paris, and Coxeter of London, with the newest Inventions, of the best quality and finish; to which are applied all the Improvements introduced by the first authorities of the day.

G. O. & CO. are Agents for the sale of JEFFREY'S RESPIRATOR, an invaluable Safeguard for the Lungs, in cold, damp, and foggy weather, and when leaving heated rooms. It is especially recommended to Asthmatic and Consumptive Patients.

Also, for the CORK and CHARCOAL RESPIRATORS.

*** Wholesale and Retail Agents for the Patent HORSE-HAIR GLOVES, BELTS, &c., now so much recommended by the Profession; and also for ALBESPEYRE'S PATENT BLISTERS and EPISPASTIC PAPERS, No. 1, *faible*, No. 1, 2, 3.

All the Foreign Mineral Waters imported from their various Springs.
